

EXCERPT FROM JOURNAL
OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 8 June 1971

16. (Unclassified - LLM) Mr. Ralph Burr, OMB, called Mr. Maury and gave us substitute language for incorporation into our report to Chairman Hebert on H.R. 3578 (Temporary National Security Commission). OMB wants us to take a position against the bill on the basis that adequate review mechanism already exists. He agreed that as an alternative to his proposed language we could simply state that the Agency associates itself with the views of the Department of Defense. Burr said we should consider our proposed reply, as changed, cleared by OMB for transmittal to the Congress.
